

# Syllabus for Term –II

## Class : XII

### **Chemistry:**

- Unit – 3      Electrochemistry
- Unit – 4      Chemical Kinetics
- Unit – 6      General Principles and processes of Isolation of elements.
- Unit – 7      P Block Elements
- Unit – 8      d & f Block Elements
- Unit – 12     Aldehydes/Ketones/Carboxylic Acids
- Unit – 13     Nitrogen Containing Compounds
- Unit – 14     Bio Molecules
- Unit – 15     Polymers
- Unit – 16     Chemistry in Everyday Life

### **Physics:**

1.      Optics
2.      Modern Physics
3.      Semiconductors
4.      Communication

### **Maths:**

1.      Integrals
2.      Application of Integrals
3.      Differential Equation
4.      Vectors
5.      Three-Dimensional Geometry
6.      Linear Programming
7.      Probability

<b><u>Biology</u></b>	Full Syllabus
<b><u>English</u></b>	Full Syllabus
<b><u>Accountancy</u></b>	Full Syllabus
<b><u>Business Studies</u></b>	Full Syllabus
<b><u>Economics</u></b>	Full Syllabus
