Message from the

PRINCIPAL

Ms. GEETIKA JASUJA

Principal

Welcome to the world of excellence, where education goes beyond textbooks and prepares learners for life. According to the timeless wisdom of the Vedas, challenges are not obstacles meant to weaken us; they are tests, which discipline us, struggle makes us resilient and shapes human strength. Rigveda teaches harmony with nature, respect for cosmic order, moral living and searching for ultimate truth. Yajurveda teaches right action, disciplined rituals and selfless duty as the path to harmony and order. Samveda teaches devotion and spiritual elevation through sacred music and chanting. The Atharvaveda further instills faith in self-belief, declaring that one's courage itself becomes one's protective shield.

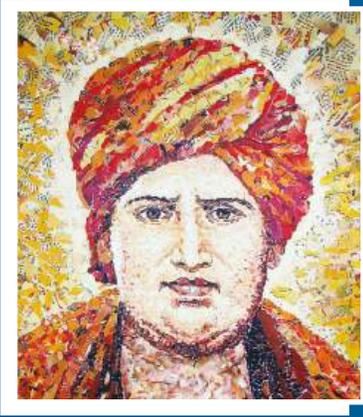

Inspired by this profound traditional wisdom and responding to the needs of a rapidly changing world, our school walks hand in hand with both ancient values and contemporary education. As we step into the era of Generation Beta—a generation shaped by technology, artificial intelligence and global connectivity—we recognize the need to nurture learners who are not only intellectually capable but also emotionally balanced, ethically guided and socially responsible.

Rooted in the noble principles of Arya Samaj—knowledge, truth and rational thinking, we strive to remove ignorance and illusion while promoting the true pursuit of knowledge. Alongside modern pedagogy and fast-paced information suited for Gen-Z and Generation Beta, we consciously integrate strong moral values and ethical direction. To nurture calm, empathetic and mindful individuals, the school incorporates Havans, meditation and mindful practices into daily life. This enables students to manage stress, silence negativity, develop focus, positivity and emotional resilience in the face of competition.

School focuses on integrating 21st Century skills by making students focus on critical thinking, problem solving skill, Enhancing communication and presentation skills, collaboration and teamwork. In today's digital age, where excessive gadget use and social media exposure can influence young minds, the school actively mentors students to become responsible digital citizens, through awareness programs on cyber safety, cybercrime and ethical technology use; students are guided to navigate the virtual world wisely and responsibly.

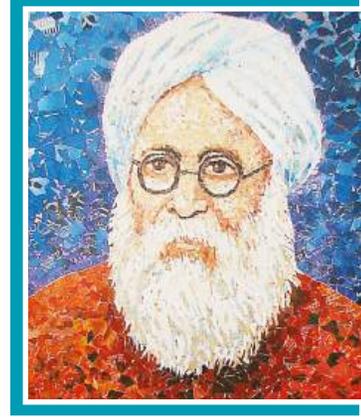

Overall, our school aims to empower students to be brave in character, brilliant in thought, skillful and sharp-sighted in judgment—individuals who can choose right over wrong, stay focused on their goals and confidently face the challenges of Generation Beta, while contributing meaningfully to society and the nation.

THE DAV MOVEMENT: A HISTORICAL PERSPECTIVE

Centuries of domination had degenerated the once great Indian society and culture into an abyss of ignorance, sloth and inertia by the time Swami Dayanand Saraswati (1824-1883) arrived to regenerate and reconstruct. The whole of India was suffering from a cultural crisis. People had drifted from their cultural moorings and were

lost in a no man's land—neither here nor there. The rich Indian culture and heritage had lost its luster and aping the West blindly had become a fashion statement; it carried prestige and position in society. Swami Dayanand Saraswati realised that the once lively and pulsating Indian society had gone into deep slumber and that the pressing need of the hour was to wake it up, to reactivate and rejuvenate it. Possessed of sharp intellect and a vision far ahead of his times, he realised that the salvation lay in educating our people by propagating the real message of the Vedas. He knew that not just knowledge but wisdom and reason can distinguish man from an animal. He ceaselessly worked to induct a new life in his people through religious reformation, social reconstruction, cultural regeneration and political emancipation. He urged people to shun dogmas and adopt scientific outlook. He led them towards a new kind of awakening — based on wisdom, reason and science. He was the first Indian who realized the importance of education for the well-being of society.

The philosophy of Swami Dayanand Saraswati was translated into reality by Lala Hans Raj, later known as Mahatma Hansraj (1864-1938) and his selfless and dedicated associates, the founding fathers of the D.A.V. Movement. Frail of body but possessing heroic spirits, Mahatma Hans Raj voluntarily opted for a life of self

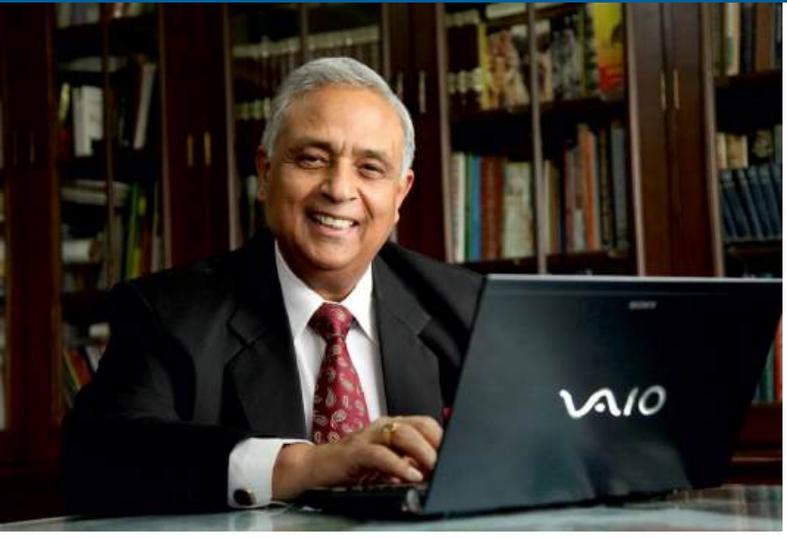

denial and renunciation. He started a school in Lahore on 1 June 1886 and devoted his whole life to this school. He named the school as D.A.V. School, that is Dayanand Anglo-Vedic School. The movement spread gradually and with the passage of time a large number of D.A.V. institutions came into existence. But the partition of the country in 1947 left more than half the D.A.V. institutions in Pakistan. Rehabilitation of the institutions and displaced employees and students was a herculean task but the challenge was met effectively by the stalwarts of the D.A.V. Movement like Lala Lajpat Rai, Bhai Parmanand, Lala Dwarka Das, Principal Sen Das, Bakshi Ram Ratan and Bakshi Tek Chand. They were the ones who put life back into it and rehabilitated the organisation.

The following quote reflects their commitment to truth, education, social justice and vedic wisdom.

"The primary aim of education is to teach and impart moral values."

THE DAV ORGANISATION

THE MISSION

The executive body of D.A.V. College Trust and Managing Society is established in New Delhi. It is the largest non-government educational organization with more than 900 educational institutions, colleges, professional and technical institutions, management institutions, Vedic education and research institutions, aided and Public schools. The executive body streamlines the school curriculum and

administrative process, formulates the policies and plans, conducts day to day affairs of the society, controls the administration and finance and gives precise directions from time to time.

We feel privileged to have a man of versatile genius, Padamshri Dr. Punam Suri as the President of D.A.V. fraternity. He has adorned several offices with grace and aplomb during his life span. A staunch Arya Samajist, he has derived noble Sanskars from his illustrious grandfather Mahatma Anandswami (Mahashaya Khushal Chand). As an icon of information technology, he has earned accolades in the capacity of Managing Editor of Daily Milap and kept alive the glorious traditions of journalism. A widely-travelled person, he has been to all European and Middle Eastern and Far Eastern countries. Above all, he is a very strong advocate of the inspiring slogan "Keep Smiling" which finds its echo on many a lip.

The D.A.V. is more than just an institution or an organization. It is a way of life that crosses all barriers of caste, creed, race or religion. D.A.V. believes that it is only in education where lies the greatest service to the individual, to the nation and to humanity.

D.A.V. vision of education draws its strength from the National Policy on Education (1986), which laid the foundation for a national system of education and is further aligned with the National Education Policy (2020), reflecting contemporary educational reforms and evolving societal needs. It lays great emphasis on Education for All; eliminating disparities within the educational system, strengthening infrastructure through qualitative interventions, empowering women and extending educational opportunities to the disadvantaged and marginalized sections of society.

In order to accomplish this mission, the objectives laid down are as under:

- * To provide a wide range of holistic education by harmonising modern and global knowledge while remaining firmly rooted in Indian cultural values and traditions;
- * To act as a catalyst of positive change by spreading education and by eradicating ignorance and illiteracy;
- * To develop individuals who are morally upright, intellectually enlightened, socially responsible, emotionally balanced, physically resilient, and culturally accomplished;
- * To foster a scientific temper by critically challenging superstitions and regressive social practices such as child marriage, caste-based discrimination, female foeticide, dowry, gender inequality, regionalism and other social prejudices;
- * To nurture creative and resourceful minds who think critically, act proactively, care for the nation and the weaker sections of society, and are imbued with humanistic values, empathy and compassion.

THE SCHOOL A BRIEF BACKGROUND

BRIEF

D.A.V. Public School, Kurukshetra came into existence in a rented house in Sector-13, Urban Estate on 25 January 1987. The admission process for the first academic session commenced on 01 February 1987. The school was formally inaugurated on 09 August 1987. In its inaugural year, the school offered classes from Nursery to VI, with a student strength of 184 and a team of 8 well-qualified, experienced and dedicated teachers. Over the years, the school has grown steadily and risen to remarkable heights.

At D.A.V. Public School, Sector-3, Kurukshetra, we strictly adhere to the tenets laid down by the National Education Policy (NEP) 2020. The school is supported by a committed and experienced faculty that continuously strives for academic excellence and holistic development of learners. The campus is aesthetically landscaped, providing an ideal environment for learning. The school takes pride in possessing one of the most beautiful and modern school buildings in the town, comparable to the best institutions in Haryana.

Students are provided with a neat, clean, hygienic and serene environment conducive to effective learning. The lush green lawns adorned with flowers create a pleasant and refreshing atmosphere. Well-planned and aesthetically developed landscapes, coupled with a team of experienced teachers, form the hallmark of the school.

Multiple Clubs Catering To Diverse Interests:

To further enrich students' experiences, the school operates multiple clubs catering to diverse interests such as sports (CHAK-DE- CLUB), music and dance (RAAG-TAAL-CLUB), science and social science club (INNOVATORS AND CRUSADERS CLUB), Linguistics & Arts (KALASAHITYA SANGAM CLUB).

Health And Wellness Programmes:

Recognising the crucial importance of students' well being, the school provides dedicated medical support, including a nurse and a medical room. Moreover, it organises sessions with psychiatrists and psychologists to offer guidance and support to students and parents. Embedding mental health awareness into the curriculum significantly impacts students' well-being, fostering a healthy environment for learning and living.

Visits and Excursions:

The school ensures a harmonious balance between co-curricular activities and academics, offering excursions and summer camps that provide students with diverse avenues for learning, growth and enjoyment beyond the confines of the classroom. Through such immersive activities, students develop a broader perspective, social adaptability and a deeper connection to the world around them.

Sustainability and Eco-Friendly Programmes:

For making its students environmental stewards who would be future advocates of a sustainable future, the school organises drives like tree plantation, waste segregation and conserving resources.

Sports Facilities

Our school stands for its integrated approach to physical education, emphasizing yoga, meditation and outdoor sports. These practices not only enhance physical fitness but also nurture mental well being, focus and resilience. With dedicated staff and expert guidance, we inspire students to embrace a balanced lifestyle, fostering harmony between body and mind while promoting the values of discipline, teamwork and holistic growth. Our students regularly represent the school in CBSE Cluster, DAV Nationals and School Games, earning accolades which reflects the dedication and regular training provided by their mentors.

Fostering Excellence Through Skill - Centric Education

Recognising the imperative of preparing students to be global citizens, the school provides ample exposure to various facets such as public speaking, presentation skills, radio shows and video recording events. Additionally, it integrates skill based courses like Coding, Artificial Intelligence, Financial Literacy, What to do when doctor is not around, Food, Handicraft, beauty and wellness into its curriculum aligning education with the demands of the 21st century. This approach not only enriches their learning but also enhances their problem solving, collaboration and independent thinking abilities.

State of the Art Infrastructure for a modern learning experience

Leveraging the advancements in technology, the school has smart classrooms that offer immersive and engaging learning experiences. These tech-enhanced classrooms utilize audio-visual tools such as photos, graphs, maps, flowcharts and animated videos to make lessons vivid, exciting and comprehensible.

Parental Collaboration:

Our School believes in fostering strong partnerships with parents, recognising their vital role in shaping a child's educational journey. Through regular orientations, interactive workshops and collaborative activities, we ensure parents are actively involved in their child's development. This approach not only strengthens the parent - school bond but also creates a supportive environment where students thrive academically, socially and emotionally.

Cultural Awareness:

Our school takes pride in fostering cultural awareness by celebrating a diverse array of festivals and traditions such as Baisakhi, Diwali, Haryana Day, Teej, Gurupurb etc. These vibrant celebrations provide students with an opportunity to understand and honour the richness of our heritage while promoting unity and respect for diversity. Through these events, we instill in our students, a deep sense of cultural pride, inclusivity and an appreciation for shared values.

Adventure Based Learning:

The school embraces adventure based learning as a dynamic approach to education, allowing students to step beyond traditional classroom boundaries and engage in hands-on, real world experiences. Through outdoor activities like river crossing, commando net climbing, tunnel crossing, rope balancing, camping and team building exercises; students develop resilience, problem-solving abilities and collaboration skills. This approach not only strengthens their physical and mental endurance but also fosters a sense of adventure and curiosity, encouraging students to face challenges with confidence and creativity.

Social Responsibility Programme:

An integral part of the school's ethos is the National Service Scheme (NSS), tailored for students in classes XI and XII. This programme is designed as a student-centered initiative complementary to education. It cultivates a spirit of voluntary work, encouraging sustained community interaction among students and teachers. NSS serves as a conduit between academic institutions and society, bridging knowledge with actionable service. The scheme includes one day and seven day camps, contributing to personality development through community service and imparting disaster management skills.

Teachers' Workshops:

Maintaining the highest standards in education has been the prime motive of our school since its inception. Therefore, it keeps organising workshops for the professional development of educators with the sole aim of keeping them updated with the latest advancements in curriculum and pedagogy. Besides this, the teachers are made to attend workshops conducted by experienced subject experts of CBSE and DAV CAE to foster their continuous growth; who in turn create a dynamic and enriching environment for students.

Career Counselling and Personality Development Programmes:

For unlocking the potential of students and helping them identify their passions and aspirations, comprehensive career counselling and personality development sessions are conducted by experts. Through such initiatives the children are provided insights into varied Career options, enabling them to navigate their professional journey with better clarity and vision.

Empathy Building Initiatives:

For grooming its students into compassionate and socially responsible individuals, the school organises thoughtfully designed activities like taking them to visit old age homes where they get the chance to interact with the elderly, listen to their experiences and develop values like kindness, compassion, humility and contributing to the society.

Alumni Success and Testimonials:

We take immense pride in the success stories of our alumni who have excelled in diverse fields. Their accomplishments stand as a testament to the quality education and values instilled during their time here. Their achievements motivate current students, showcasing the limitless possibilities that stem from a strong foundation built at our institution.

Students' Leadership And Development:

Our school's Student Council plays a pivotal role in promoting leadership, responsibility and school spirit. Composed of elected representatives, the Council not only serves as a bridge between students' needs but also takes on the crucial responsibility of maintaining discipline and ensuring the smooth functioning of school activities. By overseeing events, addressing concerns, council members develop essential skills in communication, organisation and team work while contributing significantly to creating a well organised and harmonious school environment.

Preparation for Competitive Exams:

The school provides a well-planned preparation program for Olympiads and CUET with the aim to inculcate competitive readiness in students. Organized coaching sessions taken up by experienced and dedicated faculty and frequent practice exams sharpen the analytical abilities of students to attempt competency - based questions in various competitive exams. Individualized help ,doubt resolving sessions and performance evaluations enable students to perform successfully at different levels.

Innovators and Crusaders Club

The Innovators and Crusaders Club provides a dynamic platform for students to think creatively, act responsibly and develop leadership skills. The club encourages innovation, problem-solving and scientific thinking through hands-on activities, projects, models and experiments.

Students receive guidance for Olympiad preparation, enhancing analytical skills and conceptual understanding along with exposure to entrepreneurial skills such as idea generation, teamwork and real-world application of knowledge. Participation in debates, social awareness drives and community initiatives helps nurture responsibility, empathy and ethical leadership.

Overall, the club fosters confidence, critical thinking, creativity and leadership, empowering students to become innovative thinkers and responsible change-makers.

The Raag-Taal Club

The Raag-Taal Club is a vibrant platform that nurtures students through Vocal Music, Instrumental Music, Kathak, Folk Dance and Theatre. These performing arts play a powerful role in shaping confident, expressive and well-rounded personalities.

Through music and dance, students develop self-expression, emotional strength, focus, discipline and cultural sensitivity. Instrumental training builds patience, coordination and perseverance, while classical and folk dances enhance grace, rhythm, body control and stage confidence. Theatre empowers students to overcome stage fear, improve communication skills, think creatively and work effectively as a team, thereby nurturing leadership qualities.

The Raag-Taal Club proudly provides students with platforms to perform and represent the school at regional, state and national levels; giving them valuable exposure, recognition and real-world experience. Such opportunities significantly boost self-confidence, competitive spirit and a sense of achievement.

Overall, the Raag-Taal Club acts as a strong foundation for artistic excellence, helping students discover their talents, refine their skills and grow into confident, expressive and culturally rooted individuals.

Kala Sahitya Sangam Club

The Kala Sahitya Sangam Club is a vibrant platform that nurtures artistic, literary and creative expression among students. It encourages learners to explore their imagination freely and express their thoughts, emotions and ideas through art, literature and diverse creative pursuits. Through a variety of artistic and literary engagements, including extempore, quizzes, declamation, debates, mock parliament, poster making, slogan writing, clay modelling and other competitive activities in International Gita Mahotsav; students transform simple ideas into meaningful creations. These experiences help develop originality, aesthetic sensibility, creative confidence and effective communication skills. The group also functions as a Personality Development Programme, fostering patience, focus, sensitivity, self-belief, leadership qualities and sound decision-making skills. By engaging in art, literature and intellectual competitions, students discover their inner potential and strengthen their expressive abilities. The Kala Sahitya Sangam Group thus plays a vital role in shaping imaginative, articulate and confident individuals who approach life with creativity, positivity and innovation.

Chak De Club

Chak De Club is a vibrant and energetic sports club dedicated to the overall physical, mental and emotional development of students. The club offers a diverse range of sports activities including Athletics, Taekwondo, Aerobics, Gymnastics, Cricket and Handball, each playing a significant role in shaping strong and confident individuals. Through regular training and active participation, students develop physical fitness, stamina, agility, coordination and flexibility; while also strengthening their mental toughness, concentration, discipline and decision-making abilities.

Sports under Chak De Club instill essential life skills such as teamwork, leadership, perseverance, time management and respect for rules and fair play. The club nurtures a positive competitive spirit, helping students handle success with humility and challenges with resilience. By promoting a healthy lifestyle and a never-give-up attitude, Chak De Club contributes immensely to the holistic development of students, preparing them to become physically strong, mentally alert, emotionally balanced and socially responsible individuals ready to face future challenges with confidence and determination.
